Gathering scientific and technological talents
Building up Wanda foundation evergreen

During the past 30 years development, Wanda Group makes vigorous efforts to become renowned through the three-step-development of "Soaring by Science and Technology, Creating Advantage by Brand Building and Developing by Cooperation", develops to become a large scale enterprise group with its business covering port logistics, petrochemicals, tires, finance and trade, etc.

Six Development Advantages

Shandong Wanda BOTO Tyre Co.,Ltd

With annual production capacity of 15 million unit of PCR, 2.4 million unit of TBR, and 100,000 unit of OTR, BOTO ranks among the World Top 75 Tire Manufacturers and China Top 10 Tire Manufacturers. Products are exported to more than 168 countries and regions over the world, BOTO has been ranked China Top 500 Private Enterprises for five consecutive years.

October 2017, blockbuster landing before CCTV-1 News;
January 2018, exclusively sponsored Premier League Night;
January 2018, landed on CCTV Discovery Quality programa;
September 2018, landed USA's Times Square;
June 2019, opened the official Tik Tok ID;
August 2019, landed before CCTV-4 China News;
September 2019, sponsored the National Day tribute film
My Motherland and Me

L-5S

- ▶ Smooth, extra deep tread pattern is specially designed for loaders, scrapers and other engineering machines which work underground mine alleys, tunnels or other harsh conditions
- ▶ Special cut resistant tread compound and formula and smooth, extra thick tread offers good performance, wear resistance and puncture resistance against ores and coal

G-3/L-3

- ▶ Multiple groove edges offer superior traction on all surfaces
- ▶ Specially placed blades for optimized ice and snow traction
- ▶ Unique groove shape for optimized self-cleaning in all conditions
- ▶ Wide-base construction for high flotation, improved stability and reduced ground pressure
- ▶ Flexible block elements for minimized stone retention
